Dear Sir/Madam

Severn Trent Water Limited
Application Reference: NP/HPK/0420/0328

Description of development: Listed Building consent - Replacement of the existing works with a Rotating Biological Contractor (RBC) package, the removal of the existing sewage works assets and structures and bank stabilization measures. Including temporary removal of Listed Building asset gateposts which fall into the curtilage of Edale House (Grade II Listed Building) to facilitate access to the site and to protect the assets during the work.

Please find attached the required documents to support the discharge of Condition 3, which states:

“No works shall be carried out other than in complete accordance with detailed construction and recording methodology (including: methodology for carrying out photographic and drawn recording; dismantling, storage and reinstatement; and timescales) which shall have first been submitted to and approved in writing by the National Park Authority.”

Should you require any further information, please do let us know.

Yours sincerely / faithfully

Joe Urbanowicz
